Nurture the child and the people thrive
We are pleased to present to you our Kamehameha Schools annual report – Makawalu 2021.

In this report, you will have a chance to review our performance for the year – in the classroom, in our offices, on our ‘āina, and throughout our communities. We hope you will feel this has been a good year, as we have cared for and educated our keiki, grown our endowment, collaborated with partners, stewarded our ‘āina, innovated through new technologies and worked tirelessly to advance our lāhui.

As you read this report, you will also be able to experience this past year with us through our mo’olelo. We have included some of the best stories. Stories about our hard-working staff, committed volunteers, loyal tenants, dedicated partners, collaborators and donors. You will also hear from our haumāna, alumni and emerging ‘ōiwi leaders who are guiding our lāhui into a brighter future.

Lastly, as you reflect with us on this past year, including the gauntlet of trials we have all experienced from a very long pandemic to political and economic instability, we think you will agree with us that that the inspiring and immortal words of Kamehameha ‘Ekahi have never rung more true for our people: “I mua e nā poki‘i a inu i ka wai ‘awa’awa, ‘a’ohe hope e ho‘i mai ai.”

On behalf of all of us at Kamehameha Schools, we mahalo each of you for your support, contributions and guidance throughout this past year. It continues to be our privilege and honor to serve you and your ‘ohana through the vision of our founder, Ke Ali‘i Bernice Pauahi Pākī Bishop.

I MUA KAMEHAMEHA!
Navigating the COVID-19 pandemic

Safety remains a top priority

As the ongoing COVID-19 pandemic continues to affect life on and away from campuses and preschools, Kamehameha Schools remains committed to the safety and well-being of haumāna, staff and members of the KS ‘ohana.

When it comes to safety, KS consistently meets or exceeds mitigation strategy guidelines provided by the Hawai‘i State Department of Health as the organization is equipped to maintain safe in-person learning across the state.

KS manifests its care for every member of the school ‘ohana by following data-proven strategies, including hosting vaccination events for students and staff; encouraging self-monitoring of health and caring for others; wearing masks correctly and consistently; practicing good hand hygiene, including the use of sanitizer; utilizing cohorts and “bubbles” to assist with identifying close contacts; improving ventilation systems and observing appropriate physical distancing; implementing voluntary testing programs; staying home when sick; monitoring internal and external conditions for community transmission; and cleaning and disinfecting multiple points throughout the day.
Let’s get digital

Enhancing a world-class learning experience

Kamehameha Schools responded quickly to ensure the safety of haumāna and ‘ohana by shifting to virtual classrooms as the COVID-19 pandemic began affecting schools and communities early in the spring of 2020. The leadership team recognized the need to modernize KS’ approach to education by delivering a world-class experience through safe and engaging online offerings.

KS Digital became a gateway to an array of educational technology tools, accredited K-12 education and Hawaiian culture-based content for haumāna of all ages. The innovative hub empowers teachers and enriches student experiences, anytime and virtually anywhere.

KS leveraged its long-standing partnership with Arizona State University for access to proven learning management systems as well as the wealth of resources offered by ASU Prep Digital. KS Digital launched in August 2020, and it is being used at KS’ three K-12 campuses and 29 preschools. Whether in the classroom for in-person instruction or distance learning when necessary, KS Digital ensures continuity across learning experiences.
Connecting West Oʻahu ‘ohana to high-speed internet

Working together for digital equity

Kamehameha Schools collaborated with Partners in Development Foundation and HawaiiKidsCAN to provide students and families with internet connectivity support to address disparities in broadband internet access amid the COVID-19 pandemic.

The initiative, “WiFi on Wheels,” launched in September 2020 and provides students and their families at West O'ahu’s Kamaile Academy Public Charter School and other members of the community with high-speed internet to support their distance learning needs.

KS Director of Community Engagement Kalei Kailihiwa KSK’93 notes that the effort has also provided users with the opportunity to take care of telehealth and other social service appointments, as face-to-face contact has been reduced during the pandemic.

The WiFi on Wheels mobile connectivity hub features a router contributed by Cradlepoint and unlimited wireless data from AT&T at a radius of 100 to 200 feet, depending on the terrain of the area. HawaiiKidsCAN is working with additional community partners to roll out more vans to areas including downtown Honolulu, Maui, Moloka‘i and Hawai‘i Island.

Top left: WiFi on Wheels partners gathered for a vehicle demonstration, which included Kamaile Academy Principal Paul Kepka, Partners in Development Foundation Program Manager Terry Nakamura, PIDF Teaching Assistant Napualani Kealoha, HawaiiKidsCAN Executive Director David Miyashiro, and PIDF Teaching Assistant John Nihipali.

Top right: The WiFi on Wheels mobile connectivity unit features a high-speed internet router affixed to the top of a van which is deployed to various areas around the Wai‘anae community assisting users with connectivity needs.
Uniting a community

The Kalanihookaha Community Learning Center provides lifelong learning opportunities for Native Hawaiians

In April 2021, Kamehameha Schools, its project partners and Wai’anae Coast community members celebrated the opening of the new Kalanihookaha Community Learning Center (KCLC) in Nānākuli Village Center with a small blessing and open house.

Named for the professional legacy of Dr. Agnes Kalanihookaha Cope, known fondly by many as “Auntie Aggie” – a longtime Nānākuli resident and champion for Native Hawaiian health, education, culture and the arts – the new center serves as a place for gathering and learning for community residents and program partners alike.

KCLC is positioned to support ʻāina-based programs, career development and training, and provide a home for lifelong learning opportunities for Native Hawaiians and those in the surrounding community. The vision for KCLC was made possible through vital partnerships with entities such as the State Department of Hawaiian Home Lands and the Nānākuli Hawaiian Homestead Community Association, and support from the Hawaiian Community Development Board.

Above: The $10.9 million learning center broke ground in April 2019 and completed construction a year later but delayed opening and programming due to the COVID-19 pandemic. The resulting project is a single-story building that encompasses 6,828 square feet and includes a large multi-purpose room with flexible space, a covered lānai for indoor and outdoor use, a serving kitchen, a large pavilion and a pā or outdoor staging area.

Left: Fronting KCLC is a striking, life-sized humpback whale sculpture, Koholā Ola, which was brought to life by the many hands of Wai’anae Moku keiki and community members under the guidance of artist and area resident Sooriya Kumar. The koholā symbolizes one of the highest, most sacred forms of Kanaloa and signifies knowledge, intelligence and deep connection.

The community is invited to visit and tour the facility. For more information, visit www.kalanihookaha.org, or contact KCLC at 843-9655.
Building communities for a better tomorrow

Continuing Ke Ali‘i Pauahi’s legacy by cultivating communities

As stewards of ‘āina Pauahi and her legacy, Kamehameha Schools actively reinvests and manages its assets to ensure the vibrancy of the organization’s mission in perpetuity.

To ensure a thriving lāhui, KS’ real estate portfolio provides environments for housing development, career growth, food systems stability and cultural identity. These elements are critical to the success of learners and robust communities.

KS is in the early stages of developing the He‘eia Plan, a vision and physical master plan and implementation strategy that will guide and prioritize KS’ actions for the long-term future of its 507 acres of ‘āina in Kāne‘ohe, with a focus on 55 acres of commercial properties.

On June 2, 2021, the Hawai‘i Community Development Authority unanimously approved a 10-year extension to KS’ Kaiāulu ‘o Kaka‘ako Master Plan, which will allow additional affordable housing units to be built.

The Keauhou Bay Management Plan is a long-term management and land use plan that guides and prioritizes actions for the future planning, improvement, and operational use of approximately 32 acres of ‘āina in the Keauhou Bay area on Hawai‘i Island, as well as 22 acres leased to the Outrigger Kona Resort and Spa.

The Kapālama Kai Plan aligns commercial properties, educational outcomes and community building to direct a 20-year vision for this area. The use of KS’ 105 acres of commercial ‘āina in the Kapālama ahupua‘a focuses on fostering a strong industrial business base, kama‘āina housing and an integrated transit-oriented community.

Above: Artists Cory Taum KSK’08 and Kahiau Beamer KSK’06 partnered with Kamehameha Schools’ Commercial Real Estate Division to honor the rich history of Kapālama with a mural inspired by the mo‘olelo of Kamehameha ‘Ekahi’s efforts to restore lo‘i in the ahupua‘a after a period of war as a means to feed the people of O‘ahu, and begin the unification of the Kingdom of Hawai‘i.
Supporting our ‘ohana

If businesses can survive, communities will thrive

With communities across the world facing uncertainty around the lengthy public health crisis and resulting economic fallout created by the spread of COVID-19, KS quickly adapted to respond to potential impacts felt by KS tenants and properties, as well as the local economy.

KS’ Tenant Assistance Plan was developed to help local business tenants and lessees stabilize operations and survive.

Above: In partnership with Howard Hughes, Hawai’i Food & Wine Festival, Hawai’i Agricultural Foundation, and Ham Produce and Seafood, KS distributed food boxes with 35 pounds of produce and goods to 500-plus staff members from Our Kaka’ako and Ward Village tenant retailers.

Below center: Longtime Kamehameha Schools tenant Elvin’s Bakery was one of over 100 tenants who received support through KS’ rent relief program, which provided rent abatement and/or deferral to tenants facing economic hardship due to the pandemic. The rent relief allowed Elvin’s to retain its employees during the state’s mandatory shutdown of businesses.

Right: To boost tenant business while helping those impacted by COVID-19, KS teamed up with celebrity Kelly Hu KSK ’86 for the “Buy One, Feed One Hawai’i” campaign. Also known as “BOFO,” the campaign encourages individuals eating out to purchase a second meal for someone impacted by the pandemic.

Left: KS partnered with Jeff Gress (pictured) and Jasper Wong of POW!WOW! Hawai’i to create and display signage with positive messages at KS commercial properties on O’ahu and Hawai’i Island.
Kamehameha Schools is a private charitable educational trust endowed by the will of Hawaiian princess, Bernice Pauahi Bishop (1831-1884), the great-granddaughter and last direct descendant of King Kamehameha I.

During her lifetime, Princess Pauahi witnessed the rapid decline of the Native Hawaiian population. She knew that education would be key to the survival of her people, and in an enduring act of aloha, she bequeathed to them a precious gift — 375,000 acres of ancestral lands of the royal Kamehameha family and instructions to her trustees that the “rest, residue and remainder of my estate” be used to establish the Kamehameha Schools.

Today, Ke Ali‘i Pauahi’s legacy continues to advance her desire to restore her people through education.
Educational Spending

During fiscal year 2020-2021, Kamehameha Schools spent $438 million from its endowment on education, representing 3.8% of the trailing five-year average market value of the endowment for the year, also referred to as “spend rate.” KS targets a 4% spend rate to provide for stability and financial equilibrium over time. In close alignment with the policy, the average spend rate for the last five and 10 years was 3.8%.

KAMEHAMEHA SCHOOLS TRUST

Kamehameha Schools’ mission is 98% supported by its endowment with three percent being supported by tuition, net of financial aid. The endowment was valued at $14.7 billion as of June 30, 2021. A globally diversified financial assets portfolio of $10.7 billion, and Hawai‘i commercial real estate representing $4.0 billion at fair market value comprise the endowment’s value.

INVESTMENT RETURNS

The goal of Kamehameha Schools’ endowment is to provide superior risk-adjusted long-term returns to support its mission in perpetuity. The 10-year return added value versus a policy-weighted average of market benchmarks and added value versus its CPI + 5% objective of 6.9%, an objective designed to provide for real growth and financial equilibrium.

Continuing Ke Ali‘i Pauahi’s Legacy of Giving

ALOHA MAI KĀKOU,

Communities are only as resilient as the people in them. This year, in the face of many challenges and changes wrought by the pandemic, our school, our students and our donors have emerged with a deeper appreciation for each other and a greater sense of purpose.

The fact that the last 12 months marked a record high for giving through the Pauahi Foundation is evidence of our community’s fortitude, resilience and commitment.

KS leadership, staff and alumni, along with community partners, stepped up to accept the kuleana of uplifting our lāhui. The generosity of our donors enabled the Pauahi Foundation to award 416 scholarships; each one represents the chance for our haumāna to pursue higher education and for an entire community to benefit from their accomplishments as ʻōiwi leaders.

Recognizing the impact that education can have on a community’s long-term ability to thrive was the motivation behind 2,265 scholarship gifts from our current hui of donors, including a planned gift of $4 million from John A. Meyer KSK’51 and his wife, Georgia J. Meyer.

The degree of generosity and the level of resilience we have seen this year is nothing short of inspiring. At the same time, with more than 1,900 scholarship applicants, we know that there are many more deserving students who need assistance than there is funding available to help them.

With your help, we will continue Ke Ali‘i Pauahi’s powerful legacy of giving and emulate her commitment to building a thriving lāhui, especially when times are tough.

2021 KAMEHAMEHA SCHOOLS ANNUAL REPORT 19
Against a soundtrack that included songs by slack-key legend Gabby Pahinui, 1971 brought about a groundswell of renewed focus on Hawaiian culture, language, and activism. Around the same time, the first ever Pipeline Masters surf competition was held, Zippy’s opened a second location in Kaimuki, and Eddie Aikau was named Lifeguard of the Year.

Graduating seniors from Kamehameha Schools Kapālama in 1971 realized a sense of responsibility to do something meaningful with the remarkable opportunity they’d been given. Fifty years later, a group of proud alumni from that class continues paying it forward.

“At a heartfelt level, we recognize the impact of the education we received; and, as beneficiaries of Ke Ali‘i Pauahi’s legacy, we feel it’s our kuleana to help steward the next generation,” said Michael “Kimo” Wong KSK’71, president of the board of the Alaka‘ina Foundation. The nonprofit was founded in 2013 and is run by Kamehameha Schools Class of 1971 alumni.

Along with board members James “Kimo” Bacon KSK’71 (VP and executive director), William “Bill” Villa KSK’71 (secretary), and David “Dave” A. Mortensen KSK’71 (treasurer), the classmates are committed to purpose-driven acts of philanthropy that have a significant and positive impact for nā pua a Hawai‘i, the youth of Hawai‘i. “Our mission,” Bacon says, “is to build leadership programs and opportunities for Hawaiian haumāna with the aptitude and vision to lead our communities going forward.”

The chance for KSK’71 alumni and their families to come together in 2021 was not only a cause for celebration that brimmed with food and song and storytelling, it was also an opportunity to mark the special reunion by making a collective gift of $1 million to the Pauahi Foundation for post-high scholarships.
John A. Meyer KSK’51 and Georgia J. Meyer

A legacy of giving

“‘Aʻohe mea koe ma kūʻono” translates as “nothing remains in the corners,” and describes one who is extremely generous, giving freely without reservation. This ʻōlelo noʻeau fittingly describes John A. Meyer KSK’51 and his wife, Georgia.

The magnitude of their generosity is reminiscent of Ke Aliʻi Bernice Pauahi Bishop, who through a remarkable and distinct vision, left the vast expanse of her lands for her people, ultimately creating innumerable educational opportunities and a tremendous legacy.

Meyer, a former baseball and football student-athlete, would go on to marry Georgia and become a systems computer consultant and supporter of the Pauahi Foundation. In 2012, in loving memory of her late husband, Georgia established a scholarship in their names to support Kamehameha Schools graduates pursuing areas of interest to the couple, including athletics and engineering (John’s interests) and business and finance (reflecting Georgia’s).

The Meyers understood just how impactful an endowed gift could be. In eight years since establishing the scholarship fund, they have supported close to 40 students in their educational journeys.

“Donors have so many options, and they decided to invest in the future of Hawai‘i and that means a lot and gives me encouragement to give back to the community,” says Kiaʻi Keone KSK’21, a 2021 John A. and Georgia J. Meyer scholarship recipient.

Unbeknownst to the Pauahi Foundation, John and Georgia had intentions to reach even more deserving students with their generosity by naming the foundation as their main beneficiary and leaving a planned gift upon Georgia’s passing: the largest gift ever donated to the Pauahi Foundation in the amount of $4.035 million. Following in the footsteps of Ke Aliʻi Pauahi and her model of philanthropy, through the stewardship and care of their gift, the Meyers will continue to bring hope and opportunity to students for years to come.
